Your personalised BED for LIVING (The models DOPPIO, SINGOLO, SPAZIO, DUETTO, HOCKER)

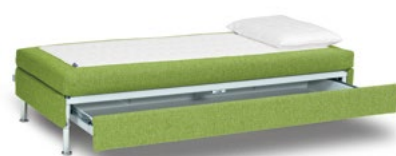

From the elegant DOPPIO to the compact HOCKER, you can choose between the following legs: column legs in 'matt black', 'glossy' and 'matt grey', black castor legs, or sled feet in 'matt black', chrome and stainless steel ⁴⁾. All models (except the SINGOLO) can also be fitted with frame legs in chrome or Inox ⁵⁾. The backrest elements are available in 'matt black', stainless steel, chrome and with fabric cover ²⁾. The cushions can be ordered in lengths from 60 cm to 200 cm ³⁾. All covers are removable and can be dry-cleaned. SWISS PLUS stocks a large selection of Italian fabrics and leather; customised fabrics can also be ordered on request.

Our accessories

For our sofa beds, we recommend the mattress protector ¹⁾, which protects the mattress in the sleeping position from pressure from the beech slatted frame. The optional comfort cover ²⁾ with padding provides additional comfort and a pleasant bed climate. It has a removable sleep cover that can be washed at 30 °C. The foam core mattress ³⁾, optimised with Bico AG for the best sleeping comfort, has a reinforcement on the seat side for comfortable sitting. The surface profiling on the sleeping side supports the body comfortably. On request, our sofa beds are also available with a tilting headboard (see DAYBED product page). Decorative cushions with a choice of covers are also available from us - in the formats 40 x 40 cm, 45 x 45 cm, 50 x 50 cm and 50 x 30 cm. With the Club side table, you can choose between a length of 50 and 80 cm and a finish in chrome, stainless steel and black. The Italian leather-covered table top is available in beige, reddish brown, brown and black ⁴⁾.
